Paula MacLean spent 30 years as a senior manager and consultant in the Human Resources field. Having navigated the intricacies of the Canadian workplace, Paula recognized the need to streamline the spectrum of information into easy to navigate, practical, comprehensive books. Utilizing the legal expertise of co-author Derek Redman in **From Firing to Hiring – A No-Nonsense Guide to Managing Employee Performance**, Paula compiled her knowledge into a quick reference format for unionized and non-unionized Canadian workplaces. As an acclaimed author, Paula has five books to her credit. Silver Creek Press is proud to offer the sixth installment: **7 New Rules For The Sandbox – The ABCs of Generational Retention**.
